

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ADJUSTMENT OF GAS AND ELECTRIC RATES)	
OF LOUISVILLE GAS AND ELECTRIC COMPANY)	CASE NO. 10064

O R D E R

On August 15, 1988, Louisville Gas and Electric Company ("LG&E") filed a motion requesting the Commission to modify the procedural schedule established in its August 10, 1988 Order. The procedural schedule as established by the Commission requires that testimony on the rehearing issues be filed by LG&E no later than August 22, 1988 and by the intervenors no later than September 1, 1988. The Commission further scheduled a hearing for September 13, 1988. LG&E's motion requests that its testimony and the intervenors' testimony be required to be filed simultaneously, with a subsequent date established for the filing of response testimony.

On August 12, 1988, the Attorney General's Office, Utility and Rate Intervention Division ("AG"), responded to LG&E's motion by stating that the AG was unable to file testimony prior to September 1, 1988 and that it had no objection to allowing the parties to file responsive testimony 9 days later. The Residential Intervenors and LG&E filed replies setting forth their concurrence with the AG's suggested modification to the procedural schedule.

Based on the motions and the responses, and being advised, the Commission is of the opinion and hereby finds that good cause has been shown to modify the procedural schedule set forth on the Commission's August 10, 1988 Order.

IT IS THEREFORE ORDERED that:

1. The Commission's August 10, 1988 Order be and it hereby is amended to the extent that direct testimony on any rehearing issue shall be filed no later than September 1, 1988; any responsive testimony shall be filed no later than September 12, 1988; and a hearing shall be held on September 20, 1988, at 9:00 a.m., Eastern Daylight Time, in the Commission's Offices in Frankfort, Kentucky.

2. All those provisions of the Commission's August 10, 1988 Order not specifically modified herein shall remain in full force and effect.

Done at Frankfort, Kentucky, this 19th day of August, 1988.
